INSPECTIONS AND SEARCHES

At different moments during the activity, the cadet may be subjected to inspections in accordance with CATO 12-50 Searches and Inspections of Cadets. These will be conducted or supervised by a Canadian Armed Forces member, and will serve to ensure that:

- the cadet's sleeping accommodations, locker(s) and storage area(s) are clean and orderly;
- the cadet is carrying the proper equipment and it is in good condition and properly maintained;
- · the cadet's health and safety is not at risk; and
- the cadet does not have in his/her possession any of the prohibited, restricted or unauthorized items listed in CATO 12-50 or other information document provided under separate correspondence.

If found, prohibited and restricted items will be handed to the applicable police agency (military or civilian), except as indicated in CATO 12-50, while unauthorized items shall either be confiscated for the duration of the activity or sent back to the cadet's home at the parents' expense, whichever is more practical and economical.

Corrective measures could be taken against a cadet for failing any inspection or search criteria or for refusing to submit to an inspection, in accordance with CATO 15-22 Conduct and Discipline – Cadets, up to and including being expelled from the activity.

If needed, the search of a cadet's person, property, locker(s), luggage, kit or sleeping area for the purposes of discovering contraband, illicit or stolen property, or some evidence of guilt to be used in the prosecution of an offence, will be conducted only by the Military Police or a civilian police agency.
